## A WORD FROM THE COMMANDER

Fellow Legionnaires:

This month is children and youth month we received our request for donations from the Harbor Beach Little league whom we will support as much as we can. This is the month we plan election of new officers, please note the adjutant position still needs filling if anyone would be interested, please let the post know. I would like to thank all the officers for all that they do sometimes we must do double duty due to the birds that fly to warmer climate. This month we will be setting up some committee meeting as members are available. Please try to get new members we need to grow our post if you can think of anyone who was in any branch of the military, we will help make contact with them. Thank you.

God bless America

*Commander Carl Siemen*
